The Soliz Story

Soliz Casa de Taco's original location opened its doors in June of 1984 as the result of a dream-made reality. Mr. and Mrs. Soliz wanted to create delicious homemade Mexican food for everyone around so they built the cozy building, painted it the signature yellow and red, and began serving the community their authentic recipes. We pride ourselves on our service and our consistently fantastic homemade food.

We have become a staple of the community and consider our customers our friends.
